

# PERMISSIVE ACCESS

Look out for historic Trafford Mill due for restoration into an education centre, wet grassland on the River Gowy floodplain managed for breeding and wintering waders using native Red Poll cattle. Restoration of a historic green lane linking the permissive bridleway to 'The Street'. Woodland management, hedgerow restoration using traditional techniques and a range of farming practices including wild bird seed mixtures, spring cereals and overwintered stubble to provide habitat for farmland birds and mammals.

This access has been provided under the Department for Environment, Food & Rural Affairs' farm conservation schemes as managed by Natural England, which help farmers and land managers protect and improve the countryside, its wildlife and history. It is permissive access and no new rights of way are being created. Existing rights of way are not affected. Please follow the Countryside Code and observe any other requirements shown above. Do not disturb wildlife, livestock or other visitors and in particular keep dogs under control. This is working farmland so please take care; people using this site do so at their own risk. Access ends on 31st October 2017.

For access related queries please call the Access Management Unit on 01902 693218 (Office Hours).  
For all other Defra related queries please contact the Defra Helpline on 08459 335577 (Office Hours).
