

MAIL ORDER BEEF

Red Poll Beef is now available to you by mail order and is dispatched fresh by first class post every 3 weeks. The meat comes to you in vacuum packs to make it stay fresh for longer; you do not need to freeze it for up to 4 days after delivery as long as you keep it in your fridge.

Your order is packed by us and taken to Mickle Trafford Post Office for collection by the Royal Mail. Your beef is delivered using the Post Office because we want to keep ours open.

Your meat is packed in a recyclable insulated cardboard container which holds biodegradable and re-usable cold bags to keep it chilled during its journey to your kitchen.

Beef prices are as listed on our published price list.

Your invoice will arrive with your beef. On it you will find a unique 6 digit reference number which guarantees the total traceability of your beef. Please quote this reference number if you have any queries about your purchase.

Please note that whilst we will endeavour to supply the exact weight of beef you request, there will be slight variation upwards or downwards.

We regret that we are currently unable to supply mince, steak burgers or sausages by mail order.
